- (ii). The CONSULTANT and Subconsultants shall maintain in force all insurance required to be procured by them under this Contract for Professional Services until issuance of the Notice of Physical Completion by the OWNER except where this Contract for Professional Services requires an insurance policy to be maintained for a period beyond issuance of the Notice of Physical Completion in which case the CONSULTANT and Subconsultants shall maintain such insurance policy in force for the specified period beyond issuance of the Notice of Physical Completion.
- (iii). All insurance required to be procured and maintained by the CONSULTANT and Subconsultants under this Contract for Professional Services shall be procured from insurance companies licensed to do business in the State of New York by the NYS Department of Financial Services and rated at least A- by A.M. Best and Company or meet such other requirements as are acceptable to the

OWNER in its sole and exclusive discretion.

All insurance policies required to be procured and maintained by the CONSULTANT and Subconsultants under this Contract for Professional Services shall include a provision or endorsement that the policy shall not be canceled, materially changed, or not renewed without at least thirty (30) calendar days written notice to the OWNER except for non-payment in which case notice to the OWNER shall be provided as required by law.

At any time this Contract for Professional Services requires the CONSULTANT or any Subconsultant to maintain an insurance policy, the OWNER may require the CONSULTANT or any Subconsultant to provide proof, acceptable to the OWNER in its sole discretion, that the CONSULTANT or Subconsultant has assets or security sufficient to satisfy all deductible or self-insured obligations under such insurance policy for which the CONSULTANT or Subconsultant may be liable under the claims pending or reasonably possible against the CONSULTANT or Subconsultant at the time the OWNER requires the proof. - (viii). All insurance policies required to be procured and maintained by the CONSULTANT and Subconsultants under this Contract for Professional Services shall include a provision or endorsement that there shall be no right of subrogation against the OWNER, Client(s), or Construction Manager. Any other insurance policy maintained by the OWNER, by the Client(s) or by the Construction Manager (if applicable) shall be in excess of and shall not contribute with the CONSULTANT's or Subconsultant's insurance policy, regardless of the "other insurance" clause contained in the OWNER's, Client(s)'s or Construction Manager's (if applicable) own policy of insurance or the CONSULTANT's or Subconsultant's insurance policies.

- (xii). Neither the procurement nor the maintenance of any type of insurance by the OWNER, the Client(s), the CONSULTANT or the Construction Manager shall in any way be construed or deemed to limit, discharge, waive or release the CONSULTANT or any Subconsultant from any of the obligations or risks accepted by the CONSULTANT and Subconsultants or to be a limitation on the nature or extent of said obligations and risks or to be a limitation of any obligation to defend, indemnify, hold harmless and procure insurance for the OWNER, Client(s) and Construction Manager.
- (xiii). All provisions of General Terms and Conditions Article X: Insurance are to the fullest extent permitted by law. One purpose of this Contract for Professional Services is to allocate, to the fullest extent permitted by law, all risk of loss to the CONSULTANT, each Subconsultant, and the insurers of each. - (xv). CONSULTANT agrees and acknowledges that, because the CONSULTANT (and not the OWNER or Client[s]) is responsible for performance of the duties and obligations set forth in this Contract for Professional Services for completion of the Project, the CONSULTANT, through the use of insurance, intends to allocate all losses to such insurance to protect itself and the OWNER and Client(s).

B. Submission of Insurance

- (i). Each request may be for a certified copy of one or more policies for one or more Subconsultants. In addition, the CONSULTANT shall provide copies of certificates of insurance to the Construction Manager, if applicable. Certificates of insurance of the Subconsultants, notwithstanding anything to the contrary contained on the Certificate of Insurance, when submitted to the OWNER by the CONSULTANT, constitute a warranty by the CONSULTANT, the Subconsultant and the Subconsultant's insurance agent or broker, that the insurance coverage described is in effect for the policy term shown.

1. LABOR LAW PROVISIONS

- A. It is hereby agreed that all applicable provisions of the Labor Law of the State of New York shall be carried out in performance of the Work.
- B. The PROFESSIONAL specifically agrees, as required by Labor Law, Sections 220 and 220-d as amended, that:
- 1) no laborer, workmen, or mechanic, in the employ of the PROFESSIONAL, Subconsultant, or other person doing or contracting to do the whole or any part of the work contemplated by this Contract shall be permitted or required to work more than eight hours in any one calendar day or more than five days in any one week, except in the emergencies set forth in the Labor Law;
 - 2) the wages paid for legal day's work shall be not less than the prevailing rate of wages as defined by law;
 - 3) the minimum hourly rate of wages to be paid shall be not less than that stated in this Contract and shall be designated by the Commissioner of Labor of the State of New York; and
 - 4) the PROFESSIONAL and every Subconsultant shall post in a prominent and accessible place on the Site, a legible statement of all minimum wage rates and supplements to be paid or provided for the various classes of laborers and mechanics to be engaged in the Work and all deductions, if any, required by law to be made from unpaid wages actually earned by the laborers and mechanics so engaged.
- C. The minimum wage rates, if any, herein specified for apprentices shall apply only to persons working with the tools of the trade that said persons are learning under the direct supervision of journeyman mechanics. Except as otherwise required by law, the number of apprentices in each trade or occupation employed by the PROFESSIONAL or any Subconsultant shall not exceed the number submitted by the applicable standards of the New York State Department of Labor, or, in the absence of said standards, the number permitted under the usual practice prevailing between the unions and the employer's association of the respective trades or occupations.
- D. All employees of the PROFESSIONAL and each Subconsultant shall be paid in accordance with the provisions of the Labor Law. Certified payroll copies shall be provided to the OWNER upon request.
- E. The PROFESSIONAL agrees that, in case of underpayment of wages to any worker engaged in the Work by the PROFESSIONAL or any Subconsultant, the OWNER shall withhold from the PROFESSIONAL, out of payments due, an amount sufficient to pay said worker the difference between the wages required to be paid under this Contract and rates actually paid said worker for the total number of hours worked and that the OWNER may disburse said amount so withheld by the OWNER for and on account of the PROFESSIONAL to the employees to whom said amount is due. The PROFESSIONAL further agrees that the amount to be withheld pursuant to this paragraph may be in addition

to the percentages to be retained by the OWNER pursuant to other provisions of this Contract.

- F. Pursuant to subdivision 3 of section 220 and section 220-d of the Labor Law this Contract may be forfeited and no sum paid for any work done thereunder on a second conviction for willfully paying less than:
- 1) the stipulated wage scale as set forth in Labor Law; Section 220, subdivision 3, as amended, or
 - 2) less than the stipulated minimum hourly wage scale as specified in Labor Law, Section 220-d, as amended.
- G. The PROFESSIONAL specifically agrees, as required by the Labor Law, Section 220-e, as amended, that:
- 1) in the hiring of employees for the performance of work under this Contract or any subcontract hereunder, or for the manufacture, sale, or distribution of materials, equipment, or supplies hereunder, but limited to operation performed within the territorial limits of the State of New York, no PROFESSIONAL, nor any person acting on behalf of said PROFESSIONAL or Subconsultant, shall by reason of race, creed, color, sex, or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;
 - 2) no PROFESSIONAL, nor any person on behalf of said PROFESSIONAL or Subconsultant shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Contract on account of race, creed, color, sex, or national origin;
 - 3) there may be deducted from the amount payable to the PROFESSIONAL, by the OWNER under this Contract, a penalty of Fifty and 00/100 Dollars (\$50.00) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the terms of this Contract; and
 - 4) this Contract may be canceled or terminated by the OWNER and all money due or to become due hereunder may be forfeited for a second or any subsequent violation of the terms or conditions of this section of this Contract.
- H. The PROFESSIONAL specifically agrees to certify its payrolls and keep these certified records on site and available, and provide copies to the OWNER upon request.

2. **NONDISCRIMINATION**

During the performance of this Contract, the PROFESSIONAL agrees as follows:

- A. The PROFESSIONAL will not discriminate against any employees or applicant for employment because of race, creed, color, sex, national origin, age, disability, or marital status.

- B. If directed to do so by the Commissioner of Human Rights, the PROFESSIONAL will send to each labor union or representative of workers with which the PROFESSIONAL has or is bound by a collective bargaining or other agreement or understanding, a notice, to be provided by the State Commissioner of Human Rights, advising said labor union or representative of the PROFESSIONAL's Contract under clauses A. through G. (hereinafter called "nondiscrimination clauses"). If the PROFESSIONAL was directed to do so by the contracting agency as part of the proposal or negotiation of this Contract, the PROFESSIONAL shall request said labor union or representative to furnish a written statement that said labor union or representative will not discriminate because of race, creed, color, sex, national origin, age, disability, or marital status, and that said labor union or representative will cooperate, within the limits of its legal and contractual authority, in the implementation of the policy and provisions of these nondiscrimination clauses and that it consents and agrees that recruitment, employment, and the terms and conditions of employment under this Contract shall be in accordance with the purposes and provisions of these nondiscrimination clauses. If said labor union or representative fails or refuses to comply with said request that it furnish such a statement, the PROFESSIONAL shall promptly notify the State Commissioner of Human Rights of said failure or refusal.
- C. If directed to do so by the Commissioner of Human Rights, the PROFESSIONAL will post and keep posted in conspicuous places, available to employees and applicants for employment, notices to be provided by the State Commissioner of Human Rights setting forth the substance of the provisions of clauses A. and B. and such provisions of the State's laws against discrimination as the State Commissioner of Human Rights shall determine.
- D. The PROFESSIONAL will state, in all solicitations or advertisements for employees placed by or on behalf of the PROFESSIONAL, that all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, sex, national origin, age, disability, or marital status.
- E. The PROFESSIONAL will comply with the provisions of Sections 290-299 of the Executive Law and with the Civil Rights Laws, will furnish all information and reports deemed necessary by the State Commissioner of Human Rights under these nondiscrimination clauses and said sections of the Executive Law, and will permit access to the PROFESSIONAL's books, records, and accounts by the State Commissioner of Human Rights, the Attorney General, and the Commissioner of Labor of the State of New York for the purpose of investigation to ascertain compliance with these nondiscrimination clauses and said sections of the Executive Law and Civil Rights Laws.
- F. This Contract may be forthwith canceled, terminated, or suspended in whole or in part, by the contracting agency upon the basis of a finding made by the State Commissioner of Human Rights that the PROFESSIONAL has not complied with these nondiscrimination clauses, and the PROFESSIONAL may be declared ineligible for future contracts made by or on behalf of the State or public authority or agency of the State, until the PROFESSIONAL satisfies the State Commissioner of Human Rights that the PROFESSIONAL has established and is carrying out a program in conformity with the provisions of these nondiscrimination clauses. Said finding shall be made by the State Commissioner of Human Rights after conciliation efforts by the Commissioner have failed to achieve compliance with these nondiscrimination clauses and after a verified complaint has been filed with the Commissioner, notice thereof has been given to the PROFESSIONAL, and an opportunity has been afforded the PROFESSIONAL to be heard publicly in accordance with the Executive Law. Said sanctions may be imposed and

remedies invoked independently of or in addition to sanctions and remedies otherwise provided by law.

- G. The PROFESSIONAL will include the provisions of clauses A. through F. in every subcontract or purchase order in such a manner that said provisions will be binding upon each Subconsultant or vendor as to operations to be performed within the State of New York. The PROFESSIONAL will take such action in enforcing said provisions of said subcontract or purchase order as the State Commissioner of Human Rights or the contracting agency may direct, including sanctions or remedies for non-compliance. If the PROFESSIONAL becomes involved in or is threatened with litigation with a Subconsultant or vendor as a result of said direction by the State Commissioner of Human Rights or the contracting agency, the PROFESSIONAL shall promptly so notify the Attorney General, requesting the Attorney General to intervene and protect the interests of the State of New York.

3. **PROVISIONS REQUIRED BY LAW DEEMED INSERTED**

Each and every provision of law and clause required by law to be inserted into this Contract shall be deemed to be inserted herein and this Contract shall read and shall be enforced as though so included.

4. **COMPLIANCE WITH LAWS, RULES, AND REGULATIONS**

The PROFESSIONAL shall comply fully with all applicable laws, rules, and regulations.

5. **CONTRACT DEEMED EXECUTORY**

The PROFESSIONAL agrees that the Contract shall be deemed executory to the extent of moneys available from either (i) the proceeds of bonds issued by the Authority for the Contract, or (ii) moneys made available by the Client for the Contract, or (iii) other non-Authority moneys made available from whatever source specifically for the Contract and no liability shall be incurred by the Owner beyond moneys available therefore.

6. **OWNERSHIP OF DOCUMENTS**

Original drawings and specifications will become the property of the OWNER, and the PROFESSIONAL may not use the drawings and specifications for any purpose not relating to the Project without the OWNER's consent. The PROFESSIONAL may retain such reproductions of drawings and specifications as the PROFESSIONAL may reasonably require. Upon completion of the Work or any early termination of this Contract, the PROFESSIONAL will promptly furnish the OWNER with the complete set of original record prints. All such original drawings and specifications shall become the property of the OWNER who may use them, without the PROFESSIONAL's permission, for any proper purpose including, but not limited to, additions to or completion of the Project.

7. **TERMINATION OR SUSPENSION**

A. **Termination for Cause**

If the PROFESSIONAL defaults by failing to substantially perform, in accordance with the terms of this Contract for Professional Services, as determined by the OWNER, the OWNER may give written notice to the PROFESSIONAL (i) terminating this Contract for Professional Services

effective seven (7) calendar days from the date of notice; or (ii) setting forth the nature of the default and requesting the PROFESSIONAL initiate cure within seven (7) calendar days from the date of notice. At any time thereafter, if the PROFESSIONAL fails to initiate cure upon the request of the OWNER and continue such cure until complete, the OWNER may give notice to the PROFESSIONAL of immediate termination. If the OWNER terminates this Contract for Professional Services pursuant to this paragraph, and it is subsequently determined by a court of competent jurisdiction that the PROFESSIONAL was not in default, then in such event said termination shall be deemed a termination for convenience as set forth in Paragraph B of this Article.

B. Termination for Convenience or Suspension of Project

The OWNER may at any time give written notice to the PROFESSIONAL terminating this Contract for Professional Services or suspending the Project, in whole or in part, for the OWNER'S convenience and without cause. If the OWNER terminates this Contract for Professional Services or suspends the Project, the PROFESSIONAL shall immediately reduce its staff, services and outstanding commitments in order to minimize the cost of termination or suspension.

C. Payment In Case Of Termination or Suspension of Project

1. If this Contract for Professional Services is terminated by the OWNER pursuant to Paragraph 7A above, no further payment shall be made to the PROFESSIONAL until completion of the Project. At such time, the PROFESSIONAL'S compensation shall, at the OWNER'S option, be calculated (i) subject to the last sentence of this Subparagraph, on the basis of services actually performed and approved by the OWNER and expenses actually incurred from the date of the last approved *Professional Services Contract Payment Requisition* up to the effective termination date; or (ii) on the basis of the payment terms set forth elsewhere herein. In either case, the PROFESSIONAL'S compensation shall be reduced by all costs and damages incurred by the Owner as a result of the default of the PROFESSIONAL.

2. If this Contract For Professional Services is (i) terminated by the OWNER pursuant to Paragraph 7B above; or (ii) suspended more than four (4) months by the OWNER pursuant to Paragraph 7B above, the PROFESSIONAL'S compensation shall be calculated on the basis of services actually performed and approved by the OWNER and expenses actually incurred from the date of the last approved *Professional Services Contract Payment Requisition* up to the effective termination or suspension date and reasonable costs associated with termination or suspension. In no event shall the PROFESSIONAL be entitled to compensation in excess of the Professional Contract Price.

3. If this Contract for Professional Services is suspended less than four (4) months by the OWNER pursuant to Paragraph 7B above, the PROFESSIONAL specifically agrees that such suspension, interruption or delay of the performance of the services pursuant to this item shall not increase the cost of the Professional Services.

4. Time of completion set forth in the Project Design Schedule may be extended to such time as the OWNER determines shall compensate for the time lost by the suspension, interruption or delay; such determination shall be set forth in writing by the OWNER.

8. SUSPENSION OR ALTERATION

- A. The OWNER may order the PROFESSIONAL in writing to suspend, delay, or interrupt performance of all or any part of the Work for a reasonable period of time as the OWNER may determine. The order shall contain the reason or reasons for issuance which may include, but shall not be limited to, the following: latent field conditions, substantial program revisions, acquisition of rights-of-way or real property, financial crisis, labor disputes, civil unrest, or Acts of God.
- B. Upon receipt of a suspension order, the PROFESSIONAL shall, as soon as practicable, cease performance of the Work as ordered and take immediate affirmative measures to protect such Work from loss or damage.
- C. The PROFESSIONAL specifically agrees that such suspension, interruption, or delay of the performance of the Work pursuant to this Item shall not increase the cost of performance of the Work of this Contract.
- D. Time of Completion of the Work may be extended to such time as the OWNER determines shall compensate for the time lost by the suspension, interruption, or delay, such determination to be set forth in writing.

9. LAWS OF THE STATE OF NEW YORK

This Contract shall be governed by the Laws of the State of New York.

10. CODES

Unless otherwise directed by the OWNER, the PROFESSIONAL shall comply with all applicable codes and regulations required by law. Without limiting the generality of the foregoing, compliance with codes and regulations shall include, but shall not be limited to, those of the following which are applicable:

- A. Administrative Codes
- B. Zoning Resolutions
- C. State Building Code, NYS Uniform Fire Prevention and Building Code, latest edition
- D. Local Zoning Ordinances
- E. Local Building Codes
- F. State Hospital Code

If Federal Aid is obtained for any facilities described herein, then any and all regulations imposed by the participating Federal Agency shall be complied with in the performance of this Contract.

11. GOVERNMENT PROVISIONS

The PROFESSIONAL shall comply with any applicable provisions or Acts of Congress, rules, regulations, and requirements of the Government of the United State of America. If there is a grant of money or loan of money by the Government of the United States of America for the Project, then the PROFESSIONAL shall furnish any information and provide any assistance which the OWNER deemed necessary for the preparation of any certificates, reports, or materials required as a result of obtaining said grant or loan.

12. COOPERATION

The PROFESSIONAL shall render any assistance which the OWNER may require with respect to any claim or action in any way relating to the PROFESSIONAL's services during or subsequent to the design or construction of the Project including, without limitation, review of claims, preparation of technical reports and participation in negotiations both before and after it has otherwise completed performance of the Contract and without any additional compensation therefore.

13. LATE PAYMENT

Timeliness of payment and any interest to be paid to the PROFESSIONAL for late payment shall be governed by Section 2880 of the Public Authorities Law, to the extent required by law.

14. DEATH OF THE PROFESSIONAL

If the PROFESSIONAL is an individual and that PROFESSIONAL shall die prior to the said completed performance of this Contract, then the payment to the estate of said PROFESSIONAL, pursuant to this Contract, shall be made as if the Project or any part thereof had been suspended or altered on the date of the death of the PROFESSIONAL. If the PROFESSIONAL is a partnership and a partner shall die prior to the completed performance of this Contract, the OWNER, in the OWNER's discretion, may deem the Project or any part thereof, suspended or altered on the date of said death or any date thereafter which the OWNER selects, and the payment to the estate of the deceased PROFESSIONAL or the partnership, pursuant to this Contract, shall be made as if the Project or any part thereof had been suspended or altered on the date of said death or such other date thereafter selected by the OWNER. The OWNER shall have the right to the immediate possession of all files of the PROFESSIONAL relating to the Project, all plans and specifications in regard to the Project, and shall have a right to retain the services of another PROFESSIONAL to complete the Project. If the PROFESSIONAL is a professional or other corporation, then this paragraph shall not be applicable.

15. OWNER-PROFESSIONAL RELATIONSHIP

The relationship created by this Contract between the OWNER and PROFESSIONAL is one of independent PROFESSIONAL and it is in no way to be construed as creating any agency relationship between the OWNER and the PROFESSIONAL nor is it to be construed as, in any way or under any circumstances, creating or appointing the PROFESSIONAL as an agent of the OWNER for any purpose whatsoever.

16. PROTECTION OF LIVES AND HEALTH

Each PROFESSIONAL and Subconsultant shall comply fully with all applicable provisions of the laws of the State of New York, the United States of America, and with all applicable rules and regulations, adopted or promulgated, by agencies or municipalities of the State of New York or the United States of America. The PROFESSIONAL's and Subconsultant's attention is specifically called to the applicable rules and regulations, codes, and bulletins of the New York State Department of Labor and to the standards imposed under the Federal Occupational Safety and Health Act of 1970, as amended. The PROFESSIONAL shall report on compliance to the OWNER or OWNER's Representative.

17. **AFFIRMATIVE ACTION AND NEW YORK STATE BUSINESS AND LABOR PARTICIPATION**

- A. The Professional agrees, in addition to any other nondiscrimination provision of this Contract For Professional Services (the “Contract”) and at no additional cost to the Owner, to fully comply with and cooperate in the implementation of an Affirmative Action Plan designed to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for Minority/Women Business Enterprise (M/WBE) and Service-Disabled Veteran-Owned Business (SDVOB) participation in the performance of the Work, in such form and substance as herein stated. Failure to demonstrate good faith efforts to meet its Professional’s Workforce Utilization Plan will be a primary consideration for future responsibility determinations, and may lead to liquidated or other appropriate damages for which MBE/WBE/SDVOB goals are not satisfied. The Professional further agrees to incorporate all Affirmative Action provisions of this Contract in all subcontracts, regardless of tier. NYS Certified MWBEs can be identified in the directory of certified businesses at <https://ny.newnycontracts.com>. Certified SDVOBs can be identified in the directory of certified businesses located on the New York State Office of General Services website <http://www.ogs.ny.gov/Core/SDVOBA.asp>.
- B. The Professional must submit to the Owner, and the Professional’s prospective sub-consultants must submit to the Professional, who in turn must submit to the Owner, an Affirmative Action Plan which demonstrates its best efforts to provide for equal employment opportunities for Minorities and Women, and a goal oriented Utilization Plan for MBE/WBE/SDVOB participation in the performance of the Work, in such form and substance as may be required by the Owner. A meeting to review these submissions may be scheduled by the Owner.
- C. These Affirmative Action provisions shall be deemed supplementary to, and not in lieu of the nondiscrimination provisions required by NYS Labor Law or other applicable Federal, State or local laws.
- D. In Accordance with Article 15A and Article 17B of the Executive Law and in conformance with the Regulations promulgated by New York State Empire State Development Division of Minority and Women’s Business Development and the New York State Office of General Services Division of Service-Disabled Veterans’ Business Development, the Professional agrees to be bound by the following clauses. In any circumstances of uncertainty or conflict, the Regulations of the Minority and Women's Business Development Division supersede this information.

1) Utilization Plans

- a. The Professional shall submit to the Owner a Statewide Utilization Management Plan (Utilization Plan) for each work authorization issued regardless of dollar value via the NYS Contract System. The Utilization Plan shall list all sub-consultants the Professional intends to use on the contract and indicate which ones are MBE/WBE and SDVOB. The Utilization Plan shall be prepared to achieve the participation goals indicated in the Request for Proposal.

- b. Upon approval of the Utilization Plan, the Professional shall submit to the Owner an original signed and notarized Utilization Plan Cover Sheet along with a copy of the approved Utilization Plan.
- c. The Owner will review the Utilization Plan and will issue to the Professional a written notice of acceptance or deficiency within 20 days of its receipt. A notice of deficiency shall include (i) the name of any MBE/WBE/SDVOB which is not acceptable for the purpose of complying with the MBE/WBE/SDVOB participation goals and the reasons why it is not acceptable; (ii) elements of the Professional's Required Services which the Owner has determined can be reasonably structured by the Professional to increase the likelihood of participation in the Contract by MBE/WBE/SDVOBs; and (iii) other information which the Owner determines to be relevant to the Utilization Plan. Although the MBE/WBE/SDVOB goals apply to the entire Term Contract, failure to achieve the required participation by work authorization could impact the receipt of future work authorizations.
- d. The Professional shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Owner a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Owner to be inadequate, the Owner shall notify the Professional and direct the Professional to submit, within five (5) business days, a request for a partial or total waiver of M/WBE/SDVOB participation goals. Failure to file the acceptable waiver documentation in a timely manner may be grounds for disqualification of the proposal.
- e. The Professional who has made good faith efforts to obtain commitments from MBE/WBE/SDVOB sub-consultants prior to submitting its Utilization Plan, but was unsuccessful in securing any, or sufficient commitments from MBE/WBE/SDVOB sub-consultants, may submit a request for waiver at the same time it submits its Utilization Plan by adding a justification statement in step 3 of the submittal in the NYS Contract System. Additional documentation of good faith efforts may be required upon review by DASNY. If a request for waiver is submitted with the Utilization Plan and is not accepted by the Owner at that time, the provisions of clauses c and d, regarding the notice of deficiency and written remedy will apply. In this case, the Professional may submit a second request for waiver as directed by the Owner.
- f. If the Professional does not submit a Utilization Plan, remedy deficiencies in a Utilization Plan, submit a request for waiver, or if the Owner determines that the Utilization Plan does not indicate that the MBE/WBE/SDVOB participation goals will be met and/or that the Professional has failed to document good faith efforts, the Owner may disqualify the Professional as being not-responsible.
- g. The Professional shall make every effort to utilize, in good faith, any MBE, WBE, or SDVOB identified within its Utilization Plan, as approved by the Owner, at least to the extent indicated in the approved Plan.

2) Administration Hearing on Disqualification

- a. If the Owner disqualifies a Professional for any of the reasons set forth in 1) f. above, the Professional shall be entitled to an administrative hearing, on the record, before a hearing officer appointed by the Owner to review the determination of disqualification and non-responsibility of the Professional.
- b. The hearing officer's determination shall be the final determination of the Owner. Such final administrative determination shall be reviewable by a proceeding brought pursuant to Article 78 of the Civil Practice Law and Rules, provided such proceeding is commenced within 30 days of notice given by certified mail, return receipt requested, rendering such final administrative determination in accordance with the provisions of Section 313 of the Executive Law.

3) Good Faith Efforts

In order to show that it has made good faith efforts to comply with the MBE/WBE/SVOB participation goals of this Contract, the Professional shall submit such documentation as will enable the Owner to make a determination in accordance with the criteria set forth in Section 313 of the Executive Law and the Rules and Regulations promulgated thereunder.

All firms selected to perform on DASNY contracts, that included MBE/WBE/SDVOB requirements, should use these Guidelines for the preparation of MBE/WBE and SDVOB Utilization Plans and all supporting "good faith efforts" documentation. If your firm incurs difficulty in meeting your Minority and Women-owned Business Enterprises, or Service-Disabled Veteran-Owned Business (MBE/WBE/SDVOB) goals, these Guidelines can be utilized to assist your firm in preparing the required documentation.

Responses to information in the Guidelines should be given in an item-by-item format following the numerical sequence as presented and submitted with your Request for Waiver to the Opportunity Programs Group. If you fail to adequately document and respond to each item, it may result in a finding of non-compliance.

If you need assistance, please contact OPG at (518) 257-3706 (Upstate) or (212) 273-5038 (Downstate).

In the event of such suspension, the Professional will be given written notice outlining the

particulars of such suspension. Upon issuance of such notice, the Professional shall comply with the terms of the suspension order. Contract activity may resume at such time as the President of the Owner or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

- F. Notwithstanding any other provision of this Contract, upon written notice to the Professional, and a reasonable opportunity to be heard with the appropriate Owner officials or staff, the Contract may be terminated by the President of the Owner or his or her designee at the Professional's expense where the Professional is determined by the President of the Owner or his or her designee to be non-responsible. In such event, the President of the Owner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for the breach.

Refer to General Conditions Article 19 – Executive Order No. 125.

19. PROHIBITED INTERESTS/ETHICAL CONDUCT - PROFESSIONALS

- A. Officers and employees of the Owner are bound by Sections 73, 73-a and 74 of the *New York State Public Officers Law*. In addition, no officer, employee, PROFESSIONAL, attorney, engineer, inspector or PROFESSIONAL of or for the Owner authorized on behalf of the Owner to exercise any legislative, executive, administrative, supervisory or other similar functions in connection with the Contract or the Work, shall become personally

interested, directly or indirectly, in the Contract, material supply contract, subcontract, insurance contract, or any other contract pertaining to the Work.

- B. Section 73(5) of the *Public Officers Law* expressly prohibits the PROFESSIONAL, or its agents, from directly or indirectly offering or giving any gift having more than nominal value to an employee of the Owner under circumstances in which it could be reasonably inferred the gift was intended to influence the employee in the performance of their official duties, could reasonably be expected to influence the employee in the performance of their official duties, or was intended as a reward for the employee's official action. In addition to the prohibition of Section 73 (5) of the Public Officers Law, DASNY has a "zero tolerance" policy with respect to the solicitation, acceptance or receipt of gifts from disqualified sources. Therefore, the Professional and its agents should refrain from offering or giving anything of value to an employee of the Owner. Employees of the Owner may not solicit any gift, gratuity, stipend or thing of value from the PROFESSIONAL or its agents. Violations of these gift provisions may be grounds for immediate Contract termination and/or referral for civil action or criminal prosecution.
- C. To promote a working relationship with the Owner based on ethical business practices, the PROFESSIONAL is expected to:
- 1) furnish all goods, materials and services to the Owner as contractually required and specified,

 - 5) not engage in any course of conduct with Owner employees or its agents that constitutes a conflict of interest, in fact or in appearance, and
 - 6) not offer or give any unlawful gifts or gratuities or engage in bribery or other criminal activity.
- D. The Owner encourages the PROFESSIONAL to advance and support ethical business conduct and practices among its directors, officers and employees, preferably through the adoption of corporate ethics awareness training programs and written codes of conduct.
- E. Although the PROFESSIONAL may employ relatives of Owner employees, the Owner must be made aware of such circumstances as soon as possible, preferably in writing, to ensure a conflict of interest situation does not arise. The Owner reserves the right to request that the PROFESSIONAL modify the work assignment of a relative of an Owner employee where a conflict of interest, or the appearance thereof, is deemed to exist.
- F. The PROFESSIONAL may hire former employees of the Owner. However, as a general rule, former employees of the Owner may neither appear nor practice before the Owner, nor receive compensation for services rendered on a matter before the Owner, for a period of *two years* following their separation from service with the Owner. In addition, former employees of the Owner are subject to a "*lifetime bar*" from appearing before the Owner or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the Owner.

- F. The PROFESSIONAL agrees to notify the Owner's Office of Professional Integrity at 518-257-3193 of any activity by an employee of the Owner that is inconsistent with the contents of this Section.
- G. Any violation of these provisions shall justify termination of this Contract and may result in Owner's rejection of the PROFESSIONAL's bids or proposals for future contracts.
- H. Consultant shall at all times during the Contract term remain responsible. Consultant agrees, if requested by the President of Owner or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.
- I. The President of Owner or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of Consultant. In the event of such suspension, Consultant will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, Consultant must comply with the terms of the suspension order. Contract activity may resume at such time as the President of Owner or his or her designee issues a written notice authorizing a resumption of performance under the Contract.
- J. Notwithstanding any other provision of this Contract, upon written notice to Consultant, and a reasonable opportunity to be heard with the appropriate Owner officials or staff, the Contract may be terminated by the President of Owner or his or her designee at Consultant's expense where Consultant is determined by the President of Owner or his or her designee to be non-responsible. In such event, the President of Owner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.
- K. By entering into this Contract, Consultant certifies, under the penalties of perjury, that Consultant is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law. Consultant further certifies that Consultant will not utilize on this Contract any Subcontractor that is identified on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.
- L. During this Contract, should Owner receive information that a person (as defined in New York State Finance Law §165-a) is in violation of the above-referenced certifications, Owner will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then Owner shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, or declaring the Consultant in default.

The PROFESSIONAL shall grant the OPI or the Representative the right to examine all books, records, files, accounts, computer records, documents and correspondence, including electronically-stored information, in the possession or control of the PROFESSIONAL, its subsidiaries and affiliated companies and any other company directly or indirectly controlled by the PROFESSIONAL, relating to the PROFESSIONAL. At the OPI's or the Representative's request, said materials shall be provided in a computer readable format, where available. At the request of the OPI or the Representative, the PROFESSIONAL shall execute such documents, if any, as are necessary to give the OPI or the Representative access to Contract-related books, documents or records which are, in whole or part, under control of the PROFESSIONAL but not currently in the PROFESSIONAL's physical possession. The PROFESSIONAL shall not enter into any agreement with a Subcontractor, PROFESSIONAL or supplier, in connection with the Contract, that does not contain a right to audit clause in favor of the OWNER. The PROFESSIONAL shall assist the OPI or the Representative in obtaining access to past and present Subcontractor, PROFESSIONAL and supplier amendment/change order files (including detailed documentation covering negotiated settlements), accounts, computer records, documents, correspondence, and any other books and records in the possession of Subcontractors, PROFESSIONALS and suppliers pertaining to the Contract, and, if appropriate, enforce the right-to-audit provisions of such agreements.

The PROFESSIONAL shall assist the OPI or the Representative in obtaining access to, interviews with, and information from all former and current persons employed and/or retained by the PROFESSIONAL, for purposes of the Contract.

The PROFESSIONAL shall require each Subcontractor to include in all agreements that the Subcontractor may hereinafter enter into with any and all Subcontractors, PROFESSIONALS and suppliers, in connection with the Contract, a right-to-audit clause in favor of the OWNER conferring rights and powers of the type outlined in this section. The PROFESSIONAL shall not enter into any Subcontract with a Subcontractor in connection with the Contract that does not contain such a provision.

The PROFESSIONAL shall not make any payments to a Subcontractor, PROFESSIONAL or supplier from whom the PROFESSIONAL has failed to obtain and supply to the OPI or the Representative complete, accurate and truthful information in compliance with a request from the OPI or the Representative to the PROFESSIONAL.

Any violation of the provisions of this Article shall justify termination of this Contract and may result in the OWNER's rejection of the PROFESSIONAL's bids or proposals for future contracts.

21. FALSE STATEMENTS/INFORMATION

- A. False statements, information or data submitted on or with applications for payment may result in one or more of the following actions:
 - 1) Termination of the Contract
 - 2) Disapproval of future contracts and sub-contracts

- 3) Withholding of final payment on the Contract
- 4) Civil and/or criminal prosecution

B. These provisions are solely for the benefit of the Owner, and any action or non-action hereunder by the Owner shall not give rise to any liability on the part of the Owner.

22. INVALID PROVISIONS

If any term or provision of the Contract or the application thereof to any person, firm or corporation, or circumstance shall, to any extent, be determined to be invalid or unenforceable, the remainder of the Contract, or the application of such terms or provisions to persons, firms or corporations, or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby and each term or provision of the Contract shall be valid and be enforced to the fullest extent permitted by law.
